PRESIDENT'S MESSAGE

It is my great pleasure to welcome you to the Orillia Fall Fair. This is our 168th Orillia and District Fall Fair which started way back in 1850, 17 years before the founding of the Dominion of Canada. Our theme this year is "Sew It, Grow It, Show It" and that is exactly what you and your family will be able to do by attending the Orillia Fall Fair.

We will have a new look at the fair this year with a large beverage tent where you can enjoy a drink with friends while watching the tractor and horse pulls. There will be an entertainment tent where families can enjoy magic and animal shows for the younger members. There will also be the very popular demolition derby, the children's Farm Olympics, cattle, horse, sheep and goat shows and one building for the poultry and pigeons.

A variety of foods also make for fond memories of the fair; with several food outlets, snack bars and special homemade meals and desserts in the main hall. Make sure you take in the agricultural, craft and home making displays in the Roller Skating Place. The fair will have something for every member of the family to enjoy.

The success of this very special family community event is due to the many volunteers who donate hours of their time in planning and preparing for the fair and making sure all visitors have a great experience during the day. I wish to thank all of these volunteers for the great work that they do not only for this event but throughout the year. Agriculture is an important part of our heritage and this all comes together at fair time in an enjoyable venue for the public.

Come out and enjoy and say hello this year at the Orillia Fall Fair.

What is 4-H?

4-H is one of Canada's longest-running youth organizations for young people between the ages of 8 and 21. Since 1913, 4-H has given youth opportunities to learn new things through a dedicated group of volunteer leaders. 4-H youth learn the skills needed to contribute to making this a better world. Many of them go on to become leaders in their communities.

4-H in the Area

The North Simcoe 4-H provides an opportunity for youth to develop skills and knowledge about a variety of topics. Projects range from various animal (beef, dairy, horse and goat) to life skills (cooking, sewing and crafts). The club members also choose their own projects.

The Benefits

There are so many projects you can choose from. Make new friends. See a world outside your own doors. Locally, 4-H gives back to the community and creates community leaders. Provincially, there are opportunities for conferences, camps and scholarships. Nationally, 4-H members have the opportunity to see different parts of Canada and the world, apply for scholarships and participate in some of the country's longest-running youth conferences.
